

Queensland Agents

The Media, Entertainment and Arts Alliance are your industry voice. If you work professionally in film, television, live theatre, festivals, events, or in pubs and clubs you should be a member. Fees are tax deductible. Our services include contract advice, debt recovery and advice on pay rates and conditions of work.

The following is a selection of Queensland theatrical agents. For ethical reasons we do not recommend one agency over another. However, when choosing an agent, remember:

- All agents in Queensland must adhere to the Private Employment Agents Act
- You should not pay any upfront fees to an agent as a condition for the agent to represent you – it is illegal;
- Agents are not allowed by law to charge you more than ten percent (10%) commission on your gross wages for a job – whether it's a live music gig, modelling, film and television work, television commercials or live theatre;
- The ten percent (10%) commission is the total fee payable by you. You should not pay your agent for postage, phone calls or similar costs.

For further information on agents or for information on joining the Alliance - please contact us on 07 3846 0044 or toll free on 1300 656513 or you can email the Queensland branch of the Alliance @ qld@alliance.org.au
