

Media, Entertainment & Arts Alliance – Western Australian Actors Agents and Casting Consultants list

The Media Entertainment & Arts Alliance does not endorse or recommend any of the businesses listed below. This list is intended only as a guide and does not substitute for your own research. This information has been gathered from various independent, existing sources.

There is general legislation governing how agents can operate in West Australia (Employment Agents Act 1976) and the Alliance is not responsible for investigating or vetting any agency operating in West Australia.

Please investigate the following in your search for an agent:

- Trust account – does the agent have an account that your money goes into that is separate from the ‘everyday’ expenses account?
- Commission – check carefully what percentage of your income the agent will take. The standard commission rate in WA is 10%, but the rate is not set by law unlike in some other states in Australia.
- Does the agent charge upfront or any sort of on-going fees? How much are they and what will the fees cover? Check what expenses/charges you may be expected to meet.
- Is there a contract that the agent wants you to sign?

You may want to ask some of the following questions:

- How will you promote me?
- How will you get me work?
- How many clients do you have?
- What films / television shows / commercials / theatre have your clients done recently?
- (if extras agent) For what films / television shows / (commercials) have you provided extras?

Again, NONE of the agents listed below are endorsed or recommended by the Alliance. Listing DOES NOT indicate that the agents are in any way supported or approved by the Alliance.
