

Careers information

Some useful websites to explore...

www.myfuture.edu.au

A joint initiative of Commonwealth, State and Territory Governments, with useful information about careers, courses and research.

www.jobguide.detya.gov.au

The Department of Education Training and Youth Affairs service to help young people find out about careers, education and training. **The Job Guide 2002 includes hundreds of occupational profiles.**

www.workplace.gov.au

Australian WorkPlace will help you find information on employment, workplace relations, government assistance, jobs, careers, training and wages.

www.jobsearch.gov.au/

The Commonwealth Government's job listings site.

www.acn.net.au/training

Australia's cultural network site includes a training directory of courses in the arts and cultural industries by state and by sector.

www.ntis.gov.au

A national database maintained by the Australian National Training Authority providing a comprehensive guide to the products, services and providers in the vocational education and training sector

Education

www.edna.edu.au

Education Network Australia. A one-stop directory to educational resources for all sectors of education and training

www.tafensw.edu.au

Information on vocational education and training in NSW, course provision and links to TAFE institutes and campuses. It provides access to the Flexible Learning Gateway page.

www.tafe.net

A guide to courses, study online, education services, institutes and corporate information for the Queensland TAFE system

www.training.wa.gov.au

Information on vocational education and training within WA including TAFE courses, training provision, publications, careers and new apprenticeships.

www.swin.edu.au/wave

Are you a woman looking for a job in an area that used to be seen as "men's work"? Are you working in one of these jobs already and would like more information about other women working in similar areas? This website is your gateway to over 100 links to help you in your career.

New apprenticeships and traineeships

www.newapprenticeships.gov.au

Information on the Commonwealth Government's New Apprenticeships initiative

www.grouptraining.com.au

Information on Group Training Companies - the largest network of employers of apprentices and trainees in Australia.

Work experience

Careers officers and teachers at secondary schools can advise you about work experience opportunities.

Grants and scholarships

CREATE Australia does not provide any grants or scholarships. The following sites may be of interest...

www.grantslink.gov.au

A comprehensive list of Commonwealth government grants.

www.ozco.gov.au

The Australia Council website includes information on applying for grants.

www.acn.gov.au/grants/

Cultural sector grants and services database. You can use this search to find information about grants and other financial services for the cultural sector.

www.avcc.edu.au

Many universities offer scholarships and you should approach the university directly. The Australian vice chancellors' committee site includes a list of Australian universities at the above address.

www.gov.au/directories.html

This Commonwealth government entry point provides links to State and Territory Governments. From the various State Government home pages, follow the links to the arts Ministry in your State or Territory for information on grants for the arts and cultural industries.

The arts and cultural industries

Some sites to get you started, if you want to find out about the cultural industries generally...

www.ozco.gov.au
