

NSW REGISTERED THEATRICAL AGENTS

December 2009

The Alliance advises that this is produced for information purposes only and as a matter of policy does not recommend or endorse individual agencies.

In NSW, agents are regulated by the *Entertainment Industry Act 1989*. The Act sets out the obligations of agents, managers and venue consultants (booking agencies) in NSW. Agents must be licensed in accordance with the requirements of this Act. There are also regulations under the Act that refer to the prescribed level of commission among other things.

The NSW Department of Industrial Relations administers the Act. It also accepts and reviews complaints about agents, managers or venue owners.
