

Media, Entertainment & Arts Alliance - Victorian Agents List

October 2009

The Media Entertainment & Arts Alliance **does not** endorse or recommend any of the agents listed below. The Victorian agents list is intend **only as a guide** to get you started and **does not** substitute for your own research

This information has been gathered from various independent, existing sources.

There is no legislation governing how agents can operate in Victoria and the **Alliance is not responsible** for investigating or vetting any agents operating in Victoria.

Please investigate the following in your search for an agent:

- Trust account – does the agent have an account that your money goes into that is separate from the ‘everyday’ expenses account?
- Commission – check carefully what percentage of your income the agent will take. In Victoria it varies from 10% to 25%, but there are no rules
- Does the agent charge upfront or any sort of on-going fees. How much are they and what will the fees cover? Check what expenses/charges you may be expected to meet.
- Is there a contract that the agent wants you to sign?

You may want to ask some of the following questions:

- How will you promote me?
- How will you get me work?
- How many clients do you have?
- What films / television shows / commercials / theatre have your clients done recently?
- (if extras agent) For what films / television shows / (commercials) have you provided extras?

Again, **NONE** of the agents listed below are endorsed or recommended by the Alliance. Listing **DOES NOT** indicate that the agents are in any way supported or approved by the Alliance.
